Council Lowers Contractors Fees

Shortage of carpenter contractors in Coleman was brought to the attention of council this week.

It was learned that many local persons require small jobs done, such as applying roofing materials, installing new windows and other jobs of a minor nature.

Since the town has levied a business tax of \$50 out of town contractors do not wish to take on smaller jobs and pay the tax.

Council will change its by-law to provide a \$50 fee that covers contractors for one year or the contractor may take up a \$5 licence to cover him on each individual job up to \$1,000.

Complaints of heavy accumulations of smoke in town from the pole treating plant east of Coleman, was brought to council's attention. A committee from council will visit the proprietors of the plant and advise them to improve combustion conditions at the burner since the smoke is creating a nuisance. When permission was granted by the town for the construction of the plant a proviso to this effect had been noted.

Underwood and McLelland, Engineers, from Lethbridge, will be contacted and requested to provide council with costs and specs for a paving program for Coleman to be done in 1969.

Council will include two questions on the ballots in the October elections to find out the townspeople's feelings on fluoridation of the town water supply and charging for Sunday sports.

Secretary Clarence Schile presented council with a resume of expenditures from January to July on amounts budgeted for the various department budgets.

The report showed that all departments were well within their

budgets to date. The statement also showed the town to be operating very successfully with a bank balance of over \$52,000 after accounts were paid.

A by-law is to be drawn up and presented to council prohibiting the building of new septic tanks or cesspools in town since the town can provide home-owners with sewer service.

Fire Chief Henry Zak advised council that the brigade has boarded up a number of vacant homes in Coleman that were creating a fire hazard.

Correspondence was received: — from J. E. Jones, local Jehovah's Witness minister, advising the group have located a building lot in block five, Coleman, where they wish to build a new Kingdom hall. Cost of the hall would be in the vicinity of \$10,000. Council will request Mr. Jones to bring in a sketch and plans of the building for approval.

Councilman Fred MacLeod advised that a public meeting is to be held on August 1st to discuss the possibility of starting a drive to build a community swimming pool for the Crows Nest Pass.

Foreman Rudy Szymanski reported to council on work being done by his departments. He advised that work to be done included some sewer line installations, sidewalk construction and repair to the rotor in the sewerage system lift station.

Trash barrels are to be placed near the bleachers at the school sports grounds in an attempt to keep the area free of paper and other debris that fans dispose of.

Tourist Booth For Pass

A movable trailer type tourist booth is being constructed by a group of local interested persons to advise visitors to the area of all the facilities, camp shelters, camping grounds and services in the district.

Lumber for the unit has been donated by Blairmore Sawmills Limited, and construction work is scheduled to start this week. Project chairman is Gary Lovell of Vantage Enterprises Ltd., of Bellevue, and the volunteer work on the unit will be supervised by Feruccio Dececco of Coleman.

Plans call for the trailer unit to be built along the theme of a Swiss Chalet, and bright decorator paints will be used on the unit.

The trailer will be taken daily to one of the many scenic viewpoints in the Crows Nest Pass area. As time progresses literature and pamphlets will be made available through the booth.

Firemen Name Bingo Winners

Freda Taje was the lucky winner of the \$50 cash prize at the Coleman Firemen's bingo held July 26.

Other winners were \$12 grocery hampers, Mrs. T. Hvizdos, Mildred Zak and Audrey Civitaresse.

\$10 each, Mrs. J. McQue, Mrs. Elwyn, Pearl Weryesko, Frank Loza and J. Kapalka.

\$10 split by Mike Ozar and Jack McCulloch.

\$12 split by Mrs. Parry, Mrs. Klenoth and Doreen Collings.

Barbecue set, Margaret Rough-eard.

Bathroom set, Mike Ozar.

Picnic basket, Margaret Rough-eard and lounge chair, Mrs. Berdusco of Nalton.

The next bingo will be held on August 23 when the firemen will again offer 15 games with a good cash jackpot prize.

Wood kept continuously wet or dry will not rot.

McNEIL ON THE MOVE—AGAIN

Bill McNeil, host of CBC radio's Assignment, takes to the road July 1st for a two-month swing (via his 17-foot trailer) through Quebec, the Maritime Provinces and Newfoundland. In 1966, McNeil toured the western provinces. A Cape Bretoner, he'll be covering news as well as familiar territory, gathering interviews and covering events enroute. Beginning July 15th, his findings will be broadcast on the personality and actually portions of Assignment on CBC radio.

Late Shopping in Blairmore

One night per week late shopping for the convenience of Crows Nest Pass and district shoppers was adopted by Blairmore merchants at the Blairmore Businessmen's Association meeting held August 1.

The merchants felt the local citizens should receive the same service that is being given to them by neighboring cities. The once per week late shopping will be held on Thursdays, starting August 22nd. The stores in Blairmore will remain open throughout the day until 9:00 p.m.

A letter is to be drafted and sent to the Royal Bank of Canada,

requesting that the bank adopt the same banking hours as its competitors. The letter will request that the bank remain open during the noon-hour. It will also be asked to discontinue the practice of closing from 3 to 4:30 p.m. on Fridays and remain open from 1 to 6 p.m. on Fridays.

A letter of appreciation is to be sent to the town for having cleaned and swept down the Blairmore main street during the past week.

A schedule of dues was drawn up for membership into the Association.

Plans For School Drawn Up

Preliminary sketch plans for the new composite high school have been forwarded to Edmonton for approval of the School Buildings Board.

Plans of the school, drawn up by Laurie and Neufeld of Lethbridge, were recently approved by the Board of Trustees of the Crows Nest Pass School Division No. 63.

The new school, to be built on 20 acres of land east of Coleman, will serve grades nine and up for all districts of the Crows Nest Pass in the school division.

The pulp and paper industry is the largest consumer of electrical energy in Canada.

Defacing Frank Slide Rocks Continues

Despite the fact that signs have been erected at both ends of the Frank Slide, advising visitors to the area not to deface the large limestone rocks, signs of bright spray paint have been used to inscribe names and addresses on the face of the Slide rocks.

An oil drilling company has recently added its name address and phone number on large rocks at both ends of the Slide. It would appear that those persons and others writing their names on the rocks have a limited knowledge of the meaning of words in the English language and probably are of the opinion that the word "deface" does not include applying paint to the rocks.

During the past few years numerous visitors to the area have painted their names and even religious sayings on the large Slide rocks.

Signs have been put up in an attempt to curb the practice and department of highways crews spent the larger part of one spring attempting to chip the paint off the rocks.

Reg Jones Retires At Coast

Reginald Jones, a former resident of the Crows Nest Pass and now residing at Vancouver, B. C., where he has been employed in the coal business, has retired.

Mr. Jones, associated with Coleman Collieries Limited for many years, began work in the McGillivray Mine, Coleman, in 1924, and with the exception of a few years as sales manager for West Canadian Collieries Limited of Blairmore, has worked for Coleman until this month.

Mr. Jones operated Reginald Jones Ltd. Industrial and Domestic Coals in North Vancouver.

Coleman to Supply Gas and Water

The Board of Trustees of the Crows Nest Pass School Division ratified an agreement with the Town of Coleman for the town to supply the proposed new composite high school to be built east of Coleman, with water and gas service.

Arnold Habeller of the Crows Nest Pass Recreation Board, was present and presented plans to the Board for the development of the M. D. McEachern school sports grounds at Bellevue. The Board will study the proposals.

Vet's Insurance Agencies of Coleman was the successful bidder over two other Crows Nest Pass and one Edmonton firm to provide

insurance coverage for all buildings and equipment in the Division.

A driver training program for students at the Isabelle Selton school will again be offered this term.

Grade four and five students of Hillcrest will attend school in Blairmore this year. The same grades were taught in Bellevue last term.

William Halstein Passes August 2

William Halstein, passed away in St. Vincent's Hospital, Pincher Creek on August 2, 1968 at the age of 70 years. He was born in Butte, Montana on November 7, 1897. He came to Canada in 1905 to Sylvan Lake and lived there until about 1923 when he moved to Michel, B. C. He lived there until 1929, then moved to Blairmore where he lived for several years prior to coming to Coleman in 1938 where he has lived since. He married the former Ines Barattelli in Blairmore in January, 1930. He was a member of the U.M.W.A. He was predeceased by a sister, Mrs. H. (Lillian) Olson of Calgary in 1945; his father August Halstein in 1946 and his mother Matilda in 1963, both at Sylvan Lake. Survivors include his wife Ines of Coleman; three sisters, Mrs. Alice McGovern and Mrs. J. (Hilma) Vambalski, both of Vancouver and Mrs. D. (Mildred) Pith of Sylvan Lake and two brothers, Iver and Felix, both of Sylvan Lake. Funeral services were held in Fantin's Coleman Chapel, Monday August 5, at 2 p.m., with Rev. Peter Walker officiating. Cremation followed. Fantin Chapels Ltd. in charge.

Coleman Warden To Tour Alberta And B. C.

Edward Proc, Junior Forest Warden of Coleman, has been selected with four other Alberta boys to take part in an inter-provincial conservation tour that started on July 26.

Warden Proc, who holds a Silver Tree degree, had to write an essay to the Chief Warden, expressing how, if he were chosen, the tour would benefit himself and the local Junior Forest Wardens. He also had to give a resume of his work with the local Junior Forest Wardens.

The five Junior Forest Wardens will leave Edmonton by van and proceed to Evans Lake, B. C., from where they would make a tour of lumbering industries and related industry, fish hatcheries, game farms and other conservation areas in both Alberta and British Columbia.

The youths will be camping in various areas, doing their own cooking and looking after themselves while on the two-week tour.

K. C. Picnic Well Attended

The Knights of Columbus annual picnic, held at Phillips Cables Plant grounds Sunday for Crows Nest Pass Catholic families, was attended by over 250 persons.

Races, games and entertainment for young and old with prizes in all events were much enjoyed.

The Knights provided free ice cream, pop and coffee for all and families brought their picnic baskets for the evening lunch.

Phosphamidon and Sumithion are gradually replacing DDT in forest insect spraying because they are less harmful to land and water fauna.

Organized Playgrounds Successful

Children here think the playground program is great.

When school is out, time can hang heavily on a child. The Crows Nest Pass Recreation Department has come to the rescue.

Effect of the program is to keep children busy in healthy, supervised outdoor activity.

The program is exceptionally well attended.

Recreation director Arnold Habeller and assistants have set up a playground program in each of the Crows Nest Pass towns.

These are for all children aged five and older.

The playgrounds are located as follows: behind the court house at Blairmore; on the Centennial ball park grounds at Bellevue; on the grounds near the community hall at Hillcrest, and in the Coleman Lions Park at Coleman.

Miss Ruth Pitt is the Blairmore supervisor, Linda Halton is in charge of the Hillcrest grounds and Carol Malzenski conducts the Bellevue area. Sam Marra, Blairmore, is in charge of special events and is day camp supervisor. Miss Stephanie Williams of Blairmore is in charge of the program at the Coleman Lions Park.

The staff hired by the recreation office, spent one week at Waterton Lakes attending a department of youth course on how to conduct playground programs.

The local playgrounds open each day, Monday through Friday, from 10 a.m. to 12 noon and from 1 p.m. to 5 p.m.

Mrs. W. Beck Retires After 31 Years

Mrs. William Beck, school teacher for 31 years, was presented with a number of gifts from the staff and school board of the Crows Nest Pass School Division at a party held recently at the Turtle Mountain Hotel.

Mrs. Beck has taught at the Cameron school in West Coleman for 22 years and during the past two years was vice-principal.

She will leave Blairmore early in December on an extended tour of the South Pacific, after which she will retire in Blairmore.

SNAKE . . . By Mail!

A blood-chilling scream rent the solitude and tranquility of the Coleman post office last week when one of the female clerks found an unusual item in the outside mail drop chute.

The clerk, reaching in for the mail, brought out a few local letters as well as a three-foot-long garter snake.

Mel Cornett, Coleman postmaster, stated the clerk was frightened almost speechless by what he thinks was someone's idea of a childish prank.

He said that although there were no ill effects from the incident, the shock of finding a snake in the mail could have been serious.

LUNCHEON DATE

When top performers like movie star Charlton Heston visit Toronto, they can be counted upon to stop by and chat with Elwood Glover on his successful Luncheon Date show, which will again this summer be shown on CBC-TV network.

Advertising...

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel — proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

THE COLEMAN JOURNAL

Does the Best Man ever win?

Well, your buddy is getting married and wants you for best man. Isn't that great? Sure. Just one or two little things... like the wedding will be in another city, and you'll have to rent a dinner jacket, and you'd like to go.

Moments like this, you're a wise man if you can take advantage of complete banking service at the Commerce. One account—your Chequing Account, you use for month-to-month expenses.

And the other—your Savings Account—makes sure you've kept cash on hand.

So go ahead. Call the airline. Rent the jacket. Spring for that nice chunk of Eskimo art. And have fun at the wedding. When there's cash on hand at the Commerce, the best man wins.

**Keep cash on hand

Franz-Park Nuptials Are Solemnized

Miss Grace Alice Park of Calgary formerly of Coleman, daughter of Mr. and Mrs. J. A. Park, became the bride of Mr. Robert Adam Franz of Coleman, son of Mr. and Mrs. R. W. Franz, in St. Alban's Anglican Church, Coleman, June 28th.

Rev. C. Babcock performed the double ring late afternoon ceremony. The Organist was Mr. Jerry Lonsbury. The soloist, Miss Linda Colwell, wearing a lovely pastel orange dress, rendered a beautiful song, "Oh Perfect Love". Bouquets of lilacs and iris, and altar bouquets of red peonies decorated the church.

Given in marriage by her father, the Bride wore a white crepe A-line dress with matching altar coat and a delicate cluster of hand-made peau de soie flowers with pearl and Aurora Borealis drops and floor length three-tier nylon illusion tulle veil. She carried a white Bible with red sweetheart roses and wore a white pearl necklace in Sterling silver mountings, gift of the Groom.

Maid of Honor was Miss Joyce Pettifor of Calgary, cousin of the bride, wearing an exquisite pastel lace gown of pink with nylon acetate lace, white melabou headpiece and white shoes and gloves. She carried a bouquet of white daisies with pink spray and ribbon.

The Bridesmaid, Miss Heath Pettifor of Calgary, cousin of the bride, wore an exquisite pastel lace gown of yellow with nylon acetate lace, white melabou headpiece, and white accessories. She carried a bouquet of white daisies with yellow spray and ribbon.

Junior Bridesmaid was Miss Bonnie Park of Coleman, sister of the bride, wearing an exquisite pastel lace gown of white with nylon acetate lace, a green bow headpiece, green shoes, and white gloves. She carried a bouquet of white daisies with green spray and ribbon.

Best man was Mr. Jerry Rejman of Coleman. Groomsman was Mr. William Park of Coleman, brother of the bride, and Junior Groomsman was Mr. Roger Johnson of Cranbrook, cousin of the groom. Ushers were Mr. Frank Capron of Blairmore and Mr. Dave Monroe of Calgary.

The bride's mother was wearing a three-piece pale pink suit with matching pink hat and tan accessories with a corsage of red roses and white carnations. The Groom's mother wore a green two-piece suit with white hat and accessories and a corsage of yellow roses and white carnations.

A reception was held in the Holy

Ghost Catholic Church, Coleman, with a dance following attended by both local and out-of-town guests and relatives. Mrs. H. Garner was in charge of the guest book. Mr. Jerry Rejman acted as Master of Ceremonies and proposed the toast to the bride.

For the honeymoon trip to Victoria and numerous points throughout British Columbia and Alberta, the bride changed to a pink two-piece suit with navy-blue accessories. She wore a corsage of red sweetheart roses.

The happy couple will reside in Coleman where the groom is employed with the Crownest Pass School Division.

Western Board Of Music Results

The University of Alberta announces the results of the Theory and Practical examinations of the Western Board of Music in Alberta which were held in May and June at the universities in Edmonton, Calgary and Lethbridge and at various local centres throughout the province.

Named Pension
Plan Director**

OTTAWA — Appointment of Wilfred J. Trudeau, 46, of Ottawa, as director of the Canada Pension Plan, was announced jointly today by National Health and Welfare Minister Allan J. MacEachen and the Public Service Commission. The appointment became effective July 2.

Mr. Trudeau was formerly with the Department of Finance, where he was director of the superannuation branch. He succeeds G. L. Pickering, who resigned to undertake a hospital administration post in Edmonton.

Mr. Trudeau started his career in Canada's public service as a clerk. He served as information officer with the departments of Labor and Finance and became first chief information officer with the Civil Service Commission. He also served at intervals as secretary to the commission and liaison officer with staff associations.

He joined the superannuation branch as assistant director in 1962 and was named director a year later. His responsibilities included administration of the Public Service Superannuation Act and related statutes as well as the Group Surgical-Medical Insurance Plan, and the Public Service Management Insurance Plan for government employees.

As director of the CPR he will be responsible for the administration of one of Canada's most important pieces of legislation.

The plan, which came into force in 1965, includes retirement pensions, survivors' benefits and, by 1970, disability pensions. From its Ottawa headquarters (255 Argyle Avenue), the Canada Pension Plan administers 37 regional offices across Canada. From these offices, 89 local sub-offices are operated on a part-time basis.

Mr. Trudeau is married to the former Pearl MacMillan of Chesterville, Ontario. They have two sons: Daniel 11 and Frederick 8, both attending Ottawa schools.

**Recipe For
Avoiding Snags**

The Unemployment Insurance Commission has passed on answers to some of the questions that may have puzzled contributors. Your question too can be referred to this feature for reply.

Q. "I want to ensure that no snags, or delays, occur in the handling of my claim for Unemployment Insurance benefit. How do I go about it?"

Here are some tips. There are many possible causes of delay in processing of claims, but this advice should eliminate some of the factors that frequently turn up. (1) Read carefully through the booklet "Information for Claimants". (2) Follow all the instructions in the book, and make sure that the information you enter in your weekly claim declarations on your report card is both accurate and complete. (3) Be sure to mention all work done in the week — including work for which you have not received pay. (4) If there has been a change in dependent status, report it. Similarly do not fail to mention it if at any time you were not ready and available for work. (5) Do not post your report cards too early — or too late. Each report card covers information on two consecutive weeks, with Sunday as the first day of the week. It should be mailed on the first or

second day of the week following the period covered by the report card (i.e. Sunday or Monday). Q. "I have contributed to the Unemployment Insurance for 24 weeks. Now I am without work. The local UIC office says I have not contributed enough to draw on an initial claim. How does "enough" enter into it, and what does it mean?"

To qualify for regular benefit you must show 30 weeks of contribution paid within the 104 weeks immediately before the week you made your claim. At least eight of these weeks must have been within the past 52 weeks. Check whether you qualify for seasonal benefit.

Questions should be referred to Information Service, Unemployment Insurance Commission, Vanier Building, 222 Nepean St., Ottawa, Ont.

Insecticides sprayed from aircraft help control leaf-eating insects.

**Engagement
Announcement**

Mr. and Mrs. Daniel Coccioni of Coleman are pleased to announce the engagement of their second eldest daughter, Yvonne Helen to Mr. James Henry Aschacher, son of Mrs. Betty and the late Henry Aschacher of Blairmore. The wedding will take place in the Holy Ghost Catholic Church, Coleman, on Saturday, September 7th, at 3 p.m.

Card of Thanks

I wish to express my appreciation and sincere thanks to the relatives, friends and my neighbors for the flowers, cards, food and expressions of sympathy and to everyone who in any way helped during my recent sad bereavement.

Mrs. W. Halstein.

Card of Thanks

I wish to express my sincere thanks to all the ladies who attended my shower and to all those who donated and sent gifts but were unable to attend. A very special thanks to my hostesses.

Joan Mraz.
